## Veterans Day

This month, we hope you will join us in pausing to reflect on the sacrifices of our country's veterans and their families. Wyrulec Company is proud to be a part of the electric cooperative network that honors and supports veterans of all ages, ranks, and branches of the military.

We are grateful to have veterans within our own ranks, and we are proud to serve veterans and their families within our community. Please join us in taking a moment to show your appreciation to a veteran; it is their service that allows us to enjoy freedom in this great country.

## Benefits of Membership

One of the benefits of being a member of Wyrulec Company is that you are also an owner. Your ownership is reflected in any excess margins the cooperative might have at the end of the year, above and beyond the cost of providing electricity to you.

These excess margins are tracked through what we call "capital credits." Each member of the cooperative is allocated their share of capital credits or excess margins based on their patronage provided to the cooperative each operating year.

These capital credits are held as equity

in the cooperative and provide financial stability to the company for many years into the future.

Each year the board of directors reviews the financial position of the cooperative and makes a decision whether or not to "retire" capital credits back to the membership.

When capital credits are retired, they are sent back to the member in the form of a check. It is Wyrulec's goal to retire five percent of the outstanding operating margins or capital credits back to the membership each year on a FIFO (first in - first out) basis.

The accounting term "FIFO" means that the members who first provided the equity to the company will be the first ones to get their equity back. Since Wyrulec's inception, the company has returned over \$20 million to the membership.

Following is the most recent list of individuals or organizations that have an unclaimed capital credit record with Wyrulec Company. We appreciate your help in returning these margins to the contributing patrons or their rightful heirs. Should you find your name listed or if you can provide helpful and specific information regarding a listing, please call us toll free at (800) 628-5266 or visit the Wyrulec office.

## 2021 Annual Meeting

The Board Seat for District #5 will be up for re-election at the next annual meeting. Julie Kilty currently represents this district, and she plans to run for her Board Seat as an incumbent. If you are interested in running for this position, or would like any further information, please contact a member of the Nominating Committee:

District #1: Art Davis 307-532-7726      District #4: Jack Revelle 308-631-8026  
 District #2: Doug Frederick 307-532-0302      District #5: Curtis Grandstaff 307-834-2459  
 District #3: Kent Hunter 307-532-3926

Article IV, Section 3 of Wyrulec Company By-Laws states:

It shall be the duty of the board to appoint not less than ninety days before the date of the meeting of the members at which directors are to be elected, a committee on nominations consisting of one member from each directorate district referred to in Article IV, Section 2 of these By-laws. No officer or member of the board shall be appointed a member of such committee.

The committee shall prepare and post at the principal office of the Cooperative at least sixty days before the meeting, a list of candidates for each directorship to be elected.

Any fifteen (15) or more members may make other nominations in writing over their signatures not less than (30) days prior to the meeting, and the secretary shall post the same at the same place where the list of candidates selected by the committee is posted.

## Energy Efficiency Tip of the Month

Energy bills can increase during winter for a variety of reasons, like houseguests, more time spent at home, and shorter days and longer nights. Small actions, like turning down your thermostat, replacing old bulbs with LEDs and washing clothes in cold water can help you save.

# YOUR POWER OUTAGE PANTRY

We do our best to avoid power outages, but unfortunately, Mother Nature occasionally has different plans. Stay ahead of the storm by stocking your pantry with a variety of non-perishable items.

Set these items aside for extended outages only, and your storm prep will be a breeze!

- BEANS
- CANNED FRUIT
- CANNED TUNA
- CANNED VEGETABLES
- CEREAL
- DRIED FRUITS
- DRIED MEATS/JERKY
- GRAHAM CRACKERS
- PASTA
- RICE
- SPAM
- OATMEAL

Don't forget to stock up on disposable goods, like paper plates, napkins, plastic cutlery and cups.
